## THREE IMPORTANT RULES IN THE PARADE OF HOMES CONTRACT:

### 1. CERTIFICATE OF OCCUPANCY

To ensure that a home is complete and safe for those touring during the Parade, a Certificate of Occupancy is required and should be emailed to allisonw@hbafm.com before the start of the Parade. The contract language states:

The Entry must be complete by Sept. 28, 2018. A complete Entry is one in which the Builder has secured a Certificate of Occupancy from the city. This means building, electrical, plumbing and mechanical inspections have been approved. No refund will be made for an incomplete Entry. All homes must be open to the public during all Parade hours during all of the days of the Parade.

### 2. OWNER INFORMATION SECTION

This section was added to the contract for situations when the Builder constructing the entry does not own it. The application asks the owner to sign from a liability standpoint and requires a separate Owner's Participation Agreement.

Examples include:

1. A home owner owns the lot and hires a Builder to build a house on the lot.
2. A developer related to the Builder or another party owns the lot. For example, the Builder could have a land holding company that owns the lot. In this situation, technically another entity (not the Builder) owns the lot.
3. A developer owns the lot and the building permit will be in the developer's name.

### 3. TEMPORARY WALKWAY SPECIFICATIONS

In spring 2014, the Parade of Homes Committee implemented rules regarding temporary walkways if concrete cannot be used. Here is the contract language:

In the event that weather prevents Builder from completing concrete for a sufficient walkway to the Entry, a modified walkway will be accepted, but must meet the following standards: solid, continuous, non-slip walkway surface at least six feet in width that is securely attached to the underlying frame, no more than one foot above ground. Options would include rough plywood that won't get slippery when wet, or a surface that could be covered with an outdoor poly, carpet material.

Please check the appropriate box above the black bar, or contact allisonw@hbafm.com or (701) 232-5846 to advise whether your home will have a concrete walkway or a temporary walkway. If you plan to install a temporary walkway for your Parade home, a Parade of Homes Committee member will verify correct specifications of the walkway two days before the event (Sept. 27).

If you have not received any correspondence about this proof by August 14, 2018, please contact the HBA of F-M at (701) 232-5846.

F. The HBA of F-M reserves the right to refuse any Application or portion of the Application. Failure to provide these items by the stated deadline could result in missed advertising and public relations opportunities.

**Builder agrees to abide by and is responsible for ensuring compliance with the following Parade Rules and Regulations ("Rules and Regulations"):**

1. The Entry shall be constructed by the Builder. The Builder must be licensed and in good standing at the time of construction and the Entry shall be constructed in accordance with all applicable government and private laws, regulations and rules including, without limitation, the International Building Code (IBC) or the International Residential Code (IRC), excluding Appendix E, as adopted by the local jurisdiction in which the Entry is located; fire codes and Building and Use Restrictions. Building permits issued for an Entry must have been issued for the Builder purporting to have constructed the Entry.
2. The Entry must be complete by September 28, 2018. A complete Entry is one in which the Builder has secured a Certificate of Occupancy from the city. This means building, electrical, plumbing and mechanical inspections have been approved. No refund will be made for an incomplete Entry. All homes must be open to the public during all Parade hours during all days of the Parade.
3. Builder understands that the Entry Price means the selling price of the house and lot entered "as shown," excluding only furniture, draperies and freestanding appliances. All "built-ins," including built-in appliances, are included in the Parade price and Entry Price. Misleading or confusing pricing is prohibited. Builder agrees to price the house fairly, so that Builder can reproduce the same house (subject to market conditions) on an equally valued lot, after the completion of the Parade, for the same sale price.
4. Builder must ensure the Entry is safe for Parade participants and the general public. At a minimum, and in addition to other requirements in the Rules and Regulations, Builder must prevent access to areas of the Entry or property where the Entry is located which may be unsafe or hazardous; properly store all unsafe or hazardous materials; turn off all wiring and outlets accessible to the public at the panel box or install such wiring and outlets properly to eliminate shock hazards; and shall not permit the consumption of alcoholic beverages in an Entry during the Parade. Safety rails on open sides of stairways, landings, porches and other similar areas must be installed.
5. In the event that weather prevents Builder from completing concrete for a sufficient walkway to the Entry, a modified walkway will be accepted, but must meet the following standards: solid, continuous, non-slip walkway surface at least six feet in width that is securely attached to the underlying frame, no more than one foot above ground. Options would include rough plywood that won't get slippery when wet, or a surface that could be covered with an outdoor poly, carpet material.
6. Any new home that has never been occupied by a consumer is an eligible Parade Entry. The HBA of F-M does not limit the number of Parades on which an Entry may be entered. However, please note that a repeat Entry may result in consumers noticing that an Entry has been in multiple Parades and generate questions/opinions regarding that fact. An Entry may be occupied by the Builder provided it was completed after Sept. 1, 2016.
7. The Early Registration Entry Fee (due July 16) is \$775 for members for the first Entry, plus a \$255 sign and flag deposit (\$1,030 total). Each additional Entry Fee is \$675 for members, plus the \$255 sign and flag deposit (\$930 total).

The Regular Registration Entry Fee (due July 30) is \$825 for members for the first Entry, plus a \$255 sign and flag deposit (\$1,080 total). Each additional Entry Fee is \$725 for members, plus the \$255 sign and flag deposit (\$980 total).

Non-members should inquire with the HBA for rate information at (701) 232-5846 or allisonw@hbafm.com.

Each Entry will receive a half-page "Profile" page in the HBA of F-M's Parade magazine as part of the Entry Fee. For more advertising options, contact ParadeTix/Utah Media Group at (801) 204-6804.

8. Each Entry must use flags and signs provided by the HBA of F-M only on designated Parade addresses during the Parade dates. Each Builder must pay a sign and flag deposit for each Entry as described above. HBA of F-M will return the deposit upon receipt of all signs and flags. Builder will return all signs and flags, damaged or not, to the HBA of F-M office by Oct. 12, 2018. No refunds of the sign and flag deposits will be made for items returned after that date. The Builder is responsible for placing and removing the signs according to city laws in the city of the Entry location. Each Entry will receive two flags and three numerical signs to be placed.
9. If the Builder or owner sells, cancels or withdraws Builder's Entry after signing the Application, and prior to the start of the Parade, the Entry may still be included in the Parade with the consent of the new owners. If either Builder or the new owners wish to cancel or withdraw the Parade Entry, Builder understands that Builder will not receive a refund after July 30, 2018, but will receive a \$250 credit to be applied to a Parade Entry in the next year, if cancelled by August 3, 2018. After August 3, 2018, no credit will be given to the Builder. Flags will not be given to a Builder for an Entry not available for show. The HBA of F-M will provide the Builder with one sign for the Entry reading "Not Available for Show."
10. Reported violations of the Rules and Regulations will be reviewed by the Parade of Homes Committee ("Parade Committee") and may result in suspension from participation in any Parade of Homes, if recommended to the HBA of F-M board of directors and approved.
11. HBA of F-M may take exterior and interior photos of any Entry during Parade hours and Builder allows their use for marketing purposes.
12. HBA of F-M may receive monies in conjunction with the Parade including, but not limited to, the monies received from the Parade magazine and advertising. HBA of F-M has the sole right, title and interest to the proceeds. The Builder will not receive and does not have claim to any of the proceeds. Further, the Builder will not receive any financial consideration with respect to photographs or video taken pursuant to this Application.
13. Builder must maintain liability insurance on the Entry and the property where the Entry is located during the Parade. Builder will provide a certificate of insurance to the HBA of F-M office.
14. Builder must have ownership and copyrights, if applicable, to all photos, logos and other images as well as any construction plans provided or submitted to the HBA of F-M or others for the Application.
15. The HBA of F-M has authority to close, postpone or reschedule the Parade. The HBA of F-M will notify the local media if the Parade closes, is postponed or rescheduled. Builder will watch local media and/or [www.hbafm.com](http://www.hbafm.com) and [paradefm.com](http://paradefm.com) for reported closures, postponement or rescheduling. If the HBA of F-M closes, postpones or reschedules the Parade due to inclement weather or otherwise, Builder cannot open the Entry to the public and no refunds will be given.
16. Builder must get pre-approval for promotions it intends to offer relating to a Parade Entry.
17. Rules and Regulations are subject to change at any time.

**The Builder also agrees to the following terms ("Terms"):**

1. Damages due to errors or omissions concerning Builder's Entry, maps, Builder's information in the Parade advertisements or any related advertising, press releases, etc., are limited to a maximum of a refund of Builder's Application fees.
2. Neither the HBA of F-M, its Council, any members of its Parade Committee, nor their directors, officers, employees, or agents ("Released Parties") will be responsible for any death, injuries to person, or for loss or damage to property that may occur from any cause whatsoever related to or arising or resulting directly or indirectly from Builders participation in the Parade or its Entry. Builder, for itself, its directors, officers, employees, agents, and invitees, expressly release the Released Parties from any and all claims, demands, damages, losses, actions or causes of action of whatsoever kind for any such loss, damage, death, or injury and assumes responsibility for the same and agrees not to hold the Released Parties or persons responsible or liable.
3. Builder agrees to assume, defend, protect, indemnify, and hold harmless the Released Parties against any and all claims, demand, damages, losses, expenses, actions or causes of action of whatsoever kind, including, but not limited to: any claim for death, injuries or damages to persons, loss or damage to property, or copyright infringement ("Claims") related to or arising or resulting directly or indirectly from Builder's participation in the Parade or its Entry unless such Claims are the result of the actions or fault of the Released Parties or any other Builder participating in the Parade. Builder must defend against all Claims with qualified legal counsel. If Builder fails to defend, the HBA of F-M has a right to conduct a defense. The HBA of F-M shall also be entitled to recover from Builder the full amount of all losses sustained as a result of any such Claim including recovery for

the attorney fees and costs of defending against any such Claim. In the event that the property being shown by the Builder is not owned by the Builder and damages occur, the Builder will pay for any and all damages caused to the Entry or Entry property and place all property destroyed or damaged in its original condition.

- 4. Builder authorizes the use of the Builder's Application information, logo or trademark and contact information for inclusion in the Parade magazine and other purposes. entry as a Luxurious Featured Home

Each year the Parade of Homes Committee strives to have home entries that will be listed as Luxurious Featured Homes. Consumers are charged \$5 to tour all Featured Homes and the proceeds benefit the Home Builders Care of Fargo-Moorhead Foundation. HBC's funds are earmarked for skill training, education and projects related to the housing industry. Its goals are to promote, organize and coordinate the community outreach efforts of the home building industry.

The 2017 Fall Featured Homes included two entries: Designer Homes of Fargo-Moorhead and Smart Spaces. This Featured Home and Featured Remodel Project raised over \$2,000 for HBC!

**To be considered, the entry must meet the following criteria:**

1. Entry must be valued at a minimum of \$750,000 and have unique points of interest.
2. Entry can't be shown as part of any other event.
3. Builders must supply own staff to collect donations. If staffing is an issue, Builder can request assistance from HBC, but must be done in a timely manner.
4. Builder must stage all main rooms including: family rooms, kitchen, bar area and any other special rooms.
5. Builder must have every intent to have a finished driveway and walkway to the home. If there are any issues with this being completed, Builder must contact the HBA and meet the walkway requirements listed in the contract.
6. Entry must be a first-time Parade of Homes entry.

**If your company has a home that meets the above criteria and you'd like to help raise funds for HBC, please contact Senior Events & Marketing Coordinator Allison Weckman at (701) 232-5846 or [allisonw@hbafm.com](mailto:allisonw@hbafm.com) for a Featured Home Addendum.**

\*These policies are subject to change at any time at the discretion of the Parade of Homes Committee. The Parade of Homes Committee will check Featured Homes for compliance with the rules and regulations.
